Descripción de la propiedad

Riding on the inter-American highway toward the beaches, 30 km from Panama City and 50 km away from Coronado, it is hard to miss the gigantic COSTA VERDE sign announcing the commercial heart of la Chorrera, the third largest town in Panama and the capital of Panama Oeste -West Panama- province. In this ever-expanding hub, you will find EVERYTHING - from the local COSTCO equivalent, banks, clinics, and restaurants to a STARBUCKS. Imagine living just 10 km away, 30 minutes from Panama City, in a serene and peaceful setting. The gated BRISAS DE LOS LAGOS community is privately operated by a respected eye surgeon who has made it his home and is dedicated to preserving the lush environment. Two-thirds of the residents hail from Europe, the US, and Canada, and English is widely spoken. Among the 28 elegant homes, this one - built from Brazilian Almond hardwood, impervious to water and termites - stands apart. Mingle with this close-knit community at the lakefront clubhouse and relax.
