Descripción de la propiedad

This property covers 11 hectares and 8,290.74 square meters, of organic land for sale located 20.2 kilometers from the Pan-American Highway. It offers electricity and water connections. The land is home to a variety of mature trees, including over 60 cypress trees, Persian limes, breadfruit, cashew, coconuts, guavas, tangerines, oranges, guineos, and guaba. The property is maintained organically, without the use of pesticides, ensuring that the water from the natural springs remains 100% pure. The property also features four crystal-clear natural springs, a stream, and a gentle slope that offers stunning views of Volcán Barú and the surrounding mountains, making it ideal for those who appreciate natural beauty.
