### Descripción de la propiedad

Have you been dreaming about a place where you can just slow down and enjoy life? If the thought of waking up every morning to blue waters and relaxing beaches doesn't leave your mind, these two adjacent titled lots on Isla Carenero might be exactly what you are looking for. Located just a short two-minute boat ride from downtown Bocas del Toro, this west-facing property sits in the most exclusive part of Isla Carenero. Positioned right on the shoreline, the lots provide direct access to calm, shallow waters and a private stretch of sandy beach, gently shaded by swaying palm trees. Opportunities like this don't come around often. These two adjacent titled lots are among the last remaining beachfront properties available on the highly sought-after Carenero Row.
