Descripción de la propiedad

Discover the perfect opportunity to create your dream homestead on this beautiful 8-hectare (approximately 20-acre) flat property, ideally located just 20 minutes from Boquete and 15 minutes from David. This lush land offers a rare combination of privacy, accessibility, and natural abundance. Surrounded by mature trees and expansive green areas, the property features year-round access to both a flowing river and a natural stream — providing an endless supply of fresh water. With its fertile soil and generous space, it's perfect for raising cattle, growing your own organic vegetables, and building a sustainable, off-grid lifestyle. Whether you envision a family estate, a working farm, or a peaceful retreat immersed in nature, this property offers endless possibilities. The flat topography makes construction easy, and the rich land is ready to support crops, fruit trees, and gardens. Seize the chance to live freely, sustainably, and connected to nature — all while being close to the vibrant towns of Boquete and David, offering shops, healthcare, and modern conveniences. Highlights: 8 hectares (20 acres) of flat, fertile land Year-round river and stream Rich soil, ideal for farming and cattle Mature trees and extensive green areas Easy access to Boquete (20 min) and David (15 min) Perfect for an eco-friendly, self-sustainable project This is more than land — it's a lifestyle waiting to happen.
