Descripción de la propiedad

This 9 hectares + 6,771 sqm parcel is located in El Palmar Sur, Puerto Armuelles, just steps from the Pacific Ocean. The property features flat topography and direct beachfront access, offering ocean views and a wide strip of sandy coastline. A secondary access route is available. Property Features Size: 9 hectares + 6,771 sqm Topography: Flat, which simplifies future site planning Beachfront: Direct access to the beach along the entire coastal boundary Access: Two access points, including one through a right of way Vegetation: Includes mature shade trees and ornamental plants Utilities: Electricity and water service connections are nearby The land is partially cleared and has open areas that allow for future layout design. The presence of large trees adds a natural landscape component that could be integrated into conservation or development plans.
