Descripción de la propiedad

Step inside from a covered patio space into the open living, dining and kitchen area- a door through the kitchen invites you to a beautiful solarium, which begs you to linger a little longer with your coffee. The kitchen was thoughtfully designed with a pass through to the Solarium as well as a bar counter facing the living room. Down the hall you'll find a bedroom and a bathroom, then the master bedroom and ensuite bathroom. Outside, the mature garden is a living fairytale—lush, colorful, and brimming with life. Butterflies dance through blossoms, hummingbirds hum their tiny songs, and fruit trees stretch lazily toward the sky. Just across from a quiet park, the canyon unfolds like a storybook at your doorstep. Beyond the park, the majestic Barú Volcano rises in the distance, adding to your garden view.
