Descripción de la propiedad

Are you looking for a large lot, a spacious house with terrace and easy access to the highway? Here you are! Just 20 minutes on the nearby Interamerican Highway to David, the second-largest town in Panama, and 5 minutes to shopping and restaurants in Bugaba, this recently renovated house offers you the best of both worlds: Accessibility and privacy. Recently renovated (including a new electrical 200-W system), the house has two large, air-conditioned bedrooms which share a Jack and Jill bathroom, another smaller bedroom which can also be used as an office, a main sitting/dining room and a large kitchen with a pass-through hatch to the main room. The kitchen has not yet been installed, so that the new owners have the entire gamut to choose their own dream kitchen from. You will probably spend most of your time on the large outdoor terrace overlooking the generous gardens. The generous grounds offer fruit trees, flowers and walkways as well as a private well in addition to the public water supply. And if you want even more space: the lot next door is 1200 m2 and also available for \$ 45,000. Your car will be protected from the sun and rain in its carport and the entire property is safely fenced.
