Descripción de la propiedad

The house, which has been creatively and lovingly renovated over the past two years, has a floor space of 240 m² and features a very large kitchen, dining and living area, two bedrooms, two bathrooms, a large covered terrace with security bars, and a covered parking space for your car. The house comes with all furniture, appliances, and complete inventory—perfect for feeling right at home. The 1360 m² property is located in the second row on the paved road through Tinajas, only a 15-minute drive to David and 30 minutes to Boquete. Nevertheless, as soon as you enter your new home, you feel like you are in a rural setting. Lush plants provide pleasant coolness and tranquility, and a duck coop adds to the country charm. For your security, the lot is equipped with complete fencing, an automatic sliding gate, and solar lamps in the garden. A private well with two tanks, electricity, and internet are also available.
