Descripción de la propiedad

This comfortable apartment is located in the beautiful Gorgas section of the Bijao beach community. This two-bedroom apartment has a large covered terrace with a wonderful view of the golf course. This luxurious resort complex is made up of several luxury sections, each named after those of the turn-of-the-century Panama Canal Zone. The design and layout of the villas and apartments in the various sections are largely inspired by those of the former Panama Canal Zone, albeit modernized and improved. Residents of the Bijao Resort have access to a wide range of amenities, including several restaurants, a beautiful Beach Club, the Bijao Golf Course, a recreation club, a chapel, and an intricate network of trails that interconnects the various neighborhoods. The 294-room Grand Evenia Bijao Hotel is also part of the complex. This spacious apartment consists of 115 m2 of floor space and a balcony/terrace, with an open living-dining room, kitchen, two bedrooms, two bathrooms, and dedicated parking. The apartment comes partially furnished and with a full line of appliances, including a dishwasher, built-in gas stove, oven, refrigerator, microwave, washer and dryer, and split air conditioning units. Ceiling fans are included in the main living area and all other rooms, as well as the terrace and master bedroom. The private terrace offers a very pleasant shaded area; it's a great place to enjoy the morning sun, the breeze, and the incredible view of the golf course. This apartment is one of the few units available in this luxury section. This beautiful apartment is also available for rent. Contact the agent for more information.
