Descripción de la propiedad

Finding a two-bedroom that feels balanced in size and layout isn't always easy. This unit at Coco Place does a good job of using its space efficiently, offering around 79 m² with a layout that works for everyday living. The design is centered around an open living, dining, and kitchen area, with large windows that bring in natural light and city views. The flow between spaces feels natural, making it practical for both daily use and entertaining. Both bedrooms include good storage, and the overall layout is efficient without feeling tight. The condo is move-in ready, so there's no need for upgrades before living in it or putting it on the rental market. Its size, layout, and location make it a strong option for buyers looking for something easy to manage with solid rental appeal. Amenities at Coco Place include: • Gym • Swimming pool • Gardens PH Coco Place As you walk along the tree-lined streets of Coco del Mar, you'll find a variety of luxury residences, from upscale condominiums to spacious villas. The neighborhood's charm comes from its balance of natural beauty and urban sophistication. Residents enjoy easy access to a wide range of recreational activities, including relaxing on sandy beaches, swimming in clear waters, and exploring nearby parks and nature reserves. The area also has a vibrant dining scene, with a mix of restaurants offering both local and international cuisine. Coco del Mar offers the perfect balance between relaxation and activity, making it one of the most desirable residential areas in Panama.
