Descripción de la propiedad

Deep in the coastal jungles of Isla Bastimentos, Bocas del Toro, lies a 53 acre healing oasis. A place where the sounds of the jungle wash away worries, and you're met with the present moment. This jungle lodge and retreat center has embraced the best that Bocas del Toro has to offer, and packaged it into a curated and adventurous all-inclusive experience for guests from all over the world. Like the property's breathtaking constructions perched high amongst the canopy, the jungle lodge sits prominently on the list of top hotels of the region. With 7 unique accommodations plus plenty of staff housing, the property is turn key and operational. Having tapped into the eco-luxury tourism market, as well as having successfully enticed a great following of Yoga and Natural Healing retreats, the property offers one of the most unique and immersive experiences in the archipelago.
