Descripción de la propiedad

This property is located in Cabuya, district of Chame, Panama Oeste, about 15 minutes from Coronado and just 10 minutes from the Pan-American Highway. The location provides quick access to the Riba Smith Selecto supermarket and the Roberto Morán stadium. The house is built on a hillside, which gives each area of the property its own level. The terrain naturally separates the spaces—creating distinct zones for living, relaxing, and entertaining across the lot. At the top of the property is a deposit or storage structure. Between the deposit and the house, there's a concrete table placed under a tall tree—an inviting spot to enjoy the afternoon breeze.
