Descripción de la propiedad

This mountain view home for sale in Alto Lino, Boquete features 339 m² of construction on a 777 m² sloped lot, located just minutes from downtown. The property is designed across two distinct levels, offering a balance of privacy, functionality, and rental flexibility. The main upper level serves as the primary residence and includes a defined living and dining area filled with natural light. Large glass doors open directly onto an expansive terrace with a fireplace, extending the living space outdoors and framing mountain views. The kitchen occupies its own dedicated area and includes a breakfast space suited for everyday use. This level also features a spacious primary bedroom with an ensuite bathroom and direct access to the terrace, along with a half bathroom for guests. A two-car garage adds covered parking and storage. The lower level functions as a self-contained apartment with its own private entrance. It includes a bedroom, an ensuite bathroom, a kitchenette, and a small living area. This level opens onto a generous private patio with mountain views, allowing the unit to feel independent rather than secondary, while preserving privacy for the main residence. The seller is including the furnishings in the sale, and the property benefits from a tax exemption in place until September 7, 2027. Alto Lino runs along Boquete's scenic inner loop road and is known for its elevation, greenery, and quick access to town. From the property, downtown Boquete can be reached in approximately 2–5 minutes by car.
