Descripción de la propiedad

This beautiful custom home in the beachfront gated community of Costa Pedasi was built in 2016. The home was designed to offer the perfect blend of indoor and outdoor living, with spacious bedrooms, an incredible open-plan "great room" and a big backyard. Terrace and pool area with shaded areas and sunny areas to adapt to any time of day and any type of weather. Standing in front of the home, your attention is drawn to the custom wood garage doors and the massive custom front door. Upon entering the spacious foyer, turn right to visit the bedrooms and study, or continue straight through a beautiful circular archway into the great room, which is the focal point of the home. The home's open-plan kitchen, dining and living room are perfect for entertaining. The great room has high ceilings, custom lighting and plenty of granite counter space. From here you can head to the outdoor entertaining area or turn into a large pantry and the 2-car enclosed garage beyond. Sunset Pool Deck Pool Deck Sliding glass doors lead to the private backyard deck and pool, with covered and open deck spaces featuring a gas fire pit and light-up water feature. the night. It is a beautiful place for your family and friends to enjoy. The house and grounds are packed with upgrades and extras.
