Descripción de la propiedad

This property is located in Nueva California, Tierras Altas, Chiriquí Province, with a good location offering 1,200 sqm of land and 75 sqm of construction. The flat terrain is complemented by a variety of fruit trees, including oranges, lemons, nispero, and cashew trees, providing a natural and productive environment. The house features two bedrooms and one bathroom. With clear views of the mountains, the property is just 650 meters from the center of town, making it conveniently close to local amenities, including stores and services. The property's location in Tierras Altas, at 4,508 feet (1,374 meters) above sea level, offers potential for gardening or agriculture, adding value for those looking to make use of the land for cultivation or farming.
