Descripción de la propiedad

Discover the charm of this newly constructed residence nestled in the tranquil hills of Volcancito, just a short 10-minute drive from Downtown Boquete. This home offers serene vistas of the mountains, Jaramillo Range and the towering Volcan Baru. The location of this home is super convenient. It is located only 400 meters from a school, a convenience store, a bus/taxi stop, and a restaurant. There are hiking routes nearby, and a scenic walk to the center of Boquete is only 4 kilometers (2.5 miles). The neighborhood is small and intimate which adds to the overall charm.
