Descripción de la propiedad

This house has 3 bedrooms, 2 bathrooms, an open kitchen, and a lovely living/dining room that can be seen from the main entrance. The laundry room is in the back, facing a good-sized lot where a bohio could be built, with a beautiful garden where you could have fruit trees and a nursery with your favorite plants. It faces the main avenue and is completely fenced for your security. The house has a land area of 700.61 m2, but it can be purchased with the two lots next to it, totaling 2,118 m2, for an additional US\$70,000.00. It is currently rented, so you can continue renting it out as an investment or to live in when the contract ends.
