Descripción de la propiedad

Conveniently located in Alto Boquete, this unique bamboo structure has 2-bedrooms and 2-bathrooms. The home offers the perfect combination of eco-conscious design and serene living, in the quiet countryside district of Las Trancas. Built with sustainable bamboo and adobe materials, this charming home provides an ideal retreat for those looking to connect with nature while enjoying modern comforts and accessibility. The tranquil setting and beautiful surroundings, including a great view of Volcan Baru, make this property a great find in one of Panama's most sought-after areas. The home features an open-concept living and dining area, flooded with natural light thanks to the vaulted ceilings with screened in windows at the top. Every room extends out wood-framed, sliding-glass doors to covered verandas, joining the exterior with useable living space. The kitchen has stone countertops, and wood cabinetry, which blend the natural look with functionality. The master suite offers an en-suite bathroom and both bedrooms have ample closet space. The property sits on a large corner lot which is completely fenced, providing plenty of outdoor space to enjoy the views of the Baru Volcano and the surrounding landscape. The land has a large section of bamboo, which creates a natural privacy wall from the immediate neighbor. Peaceful and private, the land is an oasis. Whether you enjoy gardening, outdoor dining, or simply relaxing in the fresh mountain air, this expansive lot offers endless possibilities for outdoor living and entertainment, and 2 thirds of the property is waiting to be designed by you!
