Power Descripción de la propiedad

This recently built (2-year-old) home sits on a flat 500?m² lot in Lotificación El Carmen, Potrerillos Abajo—about 600?meters from the paved road, approximately 30?minutes from downtown Boquete and 25?minutes from David Centro. At 730?meters above sea level, the property enjoys a cooler, spring-like climate typical of Chiriquí's midhighlands, yet remains close to everyday services and a peaceful local community. Home Layout – 113.25?m² Under Roof The front door opens to a single, open-concept living-dining-kitchen space—easy to furnish and keep bright. A separate family room at the rear features floor-to-ceiling windows that frame the back garden. The home has two bedrooms and two bathrooms, arranged for privacy on the opposite side of the main living area.
