Descripción de la propiedad

This incredible beach home is on the market for sale. From the minute you see it you know how extraordinary and impressive it is. Right on the Pacific beach of Playa la Barqueta, with a stunning view of both the ocean and the mountain range with Volcan Baru. This home was built in 2017 under the supervision of the owner who made sure everything was done to perfection. No detail over looked. And all top of the line materials, furnishings and appliances. It is a 3 bedroom, 4 bathroom house with open concept kitchen and living area opening to a fantastic patio and pool area taking you down to the beach. This home has Porcelain tiles throughout, arched hand carved cedar and mahogany doors, german hardware on the window for smooth operation. PVC ceilings and plenty of electrical outlets and very well lite. When you walk through the secure decorative front door you are in awe of this tastefully designed and decorated home. It is modern and comfortable. The kitchen is large with plenty of storage, all made out of cedar, granite counter tops, a centre island with a sink and a large walk in pantry. This home is open concept and perfect for entertaining, with a wet bar and entertainment area. Also on the main floor you will find the sizeable primary bedroom with an ensuite bathroom and walk in closet. The view from this room is amazing and it has sliding doors that allow you to walk out to the patio and pool area. The ensuite bathroom has double sink and granite counters. All the shower stall partitions in this home have cute underwater motifs and installed with massage showers.
