Descripción de la propiedad

Step into history and comfort with this charming plantation-style residence in prestigious Las Palmas, once home to Chiquita Banana Company executives. Rarely do homes become available here, making this a special opportunity. This fully titled two-level estate blends classic character with modern potential. The upper floor features 3 spacious bedrooms, 2 baths, and an open living/dining area that flows to a custom balcony overlooking lush gardens-perfect for morning coffee or evening gatherings. The lower level offers a large garage, workshop, storage bodega, and a tiled room with private bath-ideal as a guest suite, home office, or rental unit. Property highlights include a quiet cul-de-sac location, fully fenced grounds with gated entry, and proximity to the community pool, tennis courts, and elementary school. Just a 10-minute walk to downtown shops, restaurants, banks, and the new hospital, with easy access to the planned pier and tourism development.
