Descripción de la propiedad

Illuminated by the infinite shimmer of the sun, Summer House rises radiant where the ocean meets the islands. Located in Waterfront III—an exclusive custom development of only three residences—this architectural gem offers over 40 meters of direct ocean frontage in the prestigious Ocean Reef Islands I. Designed to inspire and entertain, the home redefines waterfront living with elegance, privacy, and a playful spirit. Its curved staircase-slide serves as a sculptural centerpiece, connecting expansive social areas with lush gardens, a pool and jacuzzi, outdoor kitchen, and shaded terraces that invite long afternoons and unforgettable gatherings. With 9 bedrooms and 10.5 bathrooms across two levels, including a stunning primary suite with private terrace and panoramic views of Panama Bay, every detail has been conceived with passion, precision, and finesse. Summer House seamlessly blends minimalism and warmth, luxury and livability. More than a home, it's a statement of lifestyle—crafted for those who dream of an extraordinary place to live, celebrate, and connect. With a private marina nearby and the vibrant energy of Panama City just minutes away, this is island living at its most refined.
