Descripción de la propiedad

Just 10 minutes from downtown Boquete, this stunning property on Jaramillo Loop offers the best of both worlds—a tranquil mountain retreat with easy access to town amenities. The 2.88 m² main home features a soaring double-height living room with a stone fireplace, wooden ceilings, and large windows framing views of Volcán Barú. The kitchen includes a breakfast island and custom wood cabinetry. The main suite opens to a private garden with an outdoor shower and features an en-suite bath with a jetted tub. The second bedroom offers built-in storage and a wine rack. A detached 28 m² casita with a kitchenette and full bath is ideal for guests or a vacation rental. The 156 m² barn/workshop, greenhouse, tool storage, and water purification center, along with an underground tank, add functionality. Fully fenced on 4,318 m², this 2005 René Bacil design blends comfort, versatility, and self-sufficiency in one of Boquete's most desirable locations.
