Descripción de la propiedad

The house has approximately 248.90 m² of construction under roof. Upon entry, the main living area opens to a spacious great room with high vaulted ceilings and large glass doors that frame the view and lead to the covered terrace. The kitchen includes solid wood cabinetry, a center island/ breakfast bar in addition to the dining space with a dining table for eight. There's also a built-in bar, fireplace, and access to the covered outdoor patio, where a Jacuzzi complement two lounge zones. An adjacent uncovered patio offers space for sunbathing or container gardening. The primary bedroom is generously sized and includes a walk-in closet, ensuite bathroom with bathtub and double sink. The main room has direct access to the covered terrace through glass doors. Three additional bedrooms provide ample space for family or guests, both with wooden closets and access to full bathrooms. The property also includes a dedicated laundry and storage area, a separate shed, a garage, and five visitor parking spaces.
