Descripción de la propiedad

Boquete Panama Parkside Home offers a rare opportunity to live or operate a business in a prime downtown location. Situated directly across the street from a charming city park with water features and ducks, the property combines peaceful surroundings with the convenience of being within walking distance to restaurants, shops, and services. This two-story home is designed to support comfortable residential living while also offering flexibility for commercial or mixed-use possibilities. The main floor features a welcoming living room, dining area, and well-appointed kitchen designed for everyday living or entertaining. A guest bedroom and full bathroom on the first level provide convenience for visitors or extended family. The home also includes a laundry room and a fenced backyard with grass, creating outdoor space for relaxing, gardening, or play. Upstairs, the second level expands the living space with a spacious landing area and sliding glass doors that open to a covered patio overlooking the library park. This flexible space can function as an office, lounge, or additional sitting area. The upper floor also includes a master suite with walk-in closet and en-suite bathroom, a third bedroom, and an additional full bathroom. A second covered A-frame patio at the back of the home provides another private outdoor retreat. Additional features include parking for two vehicles, an on-demand hot water system, and a 290-gallon reserve water tank.
