This residence is thoughtfully designed with modern finishes and abundant natural light throughout. The open-concept living and dining area features wood-style ceilings, recessed lighting, and custom plantation shutters. A contemporary kitchen with quartz countertops, Pan Pacific custom cabinetry, and stainless steel Samsung and LG appliances flows seamlessly into the social areas, making it ideal for both entertaining and everyday living. The master suite includes a walk-in closet and a spa-inspired bathroom with elegant tile finishes and a glass-enclosed shower, while two additional bedrooms offer flexibility for guests, family, or a home office.
