Descripción de la propiedad

Discover your dream home in Santa Clara, Rio Hato – a property that perfectly blends modern luxury, comfort, and the natural beauty of Panama’s Pacific Coast. This stunning home offers spacious interiors, elegant finishes, and expansive outdoor spaces, making it the ideal location for relaxing family getaways or hosting unforgettable gatherings. Located just minutes from the beach, this property promises a lifestyle of tranquility and exclusivity. The property features a total land area of 3,033 m² and a main house of 380 m², fully furnished and equipped. The main house has 3 bedrooms, 3.5 bathrooms, a den, living room, kitchen, and office. The common area includes a gazebo with a grill, refrigerator, sink, and a large seating area, as well as a pool with outdoor showers and bathroom. Additionally, the property includes three guest houses, each measuring 118 m², furnished and equipped with 2 bedrooms, 2 bathrooms, living room, and kitchen. The construction is made of cement, concrete and M2 panels, providing excellent insulation, minimal maintenance and a robust structure. The property is equipped with solar panels that supply power to the main house and common areas, eliminating electricity costs. The solar system can also supply power to the guest houses if needed. Each house, including the guest houses and common areas, has its own electricity meter. The property also has a private water well with irrigation system, a comprehensive drainage system and a security system installed throughout the property. In addition, it has an electric generator, high-speed fiber optic internet with Tigo and pressure and well water pumps.
