### Descripción de la propiedad

---

Two exceptional land lots with breathtaking 360-degree views, located in Boca Chica, San Lorenzo, along the Boca Chica road. These prime properties offer an unparalleled vantage point, allowing you to immerse yourself in the beauty of the area. Both of the lots are being sold as a package so the price shown is for both lots combined. Lot A spans across 2,216 square meters, while Lot B encompasses 950 square meters. Both lots are adorned with a variety of trees and plants, creating a serene and natural atmosphere. The vistas from these lots are truly awe-inspiring. Imagine waking up every morning to panoramic views that will leave you speechless. Whether it's the striking coastline or the captivating mountain ranges, these views are nothing short of a spectacle. Water and electricity connections are available in the area. Situated a 55-minute drive from Terronal de David and 1 hour and 27 minutes from the Casa Solution Boquete Office. This charming coastal town serves as a gateway to the enchanting Pacific Islands nestled in the Gulf of Chiriqui. The beaches around Boca Chica are renowned for their pristine white sands, crystal-clear waters with perfect temperatures, and abundant marine life. Picture yourself basking in the sun, snorkeling amidst vibrant tropical fish, and reveling in the tranquility of your own private paradise.
