Descripción de la propiedad

9.5 hectares at 500m elevation with ocean and mountain views, 20 minutes from Coronado and 1 hour from Panama City. A cooler climate, privacy, and lush landscapes make it ideal for a gated community, wellness retreat, or retirement homes. Coronado offers golf, clinics, schools, dining, and services, making this property a rare mix of lifestyle and investment potential in Panama's most established beach corridor. The property benefits from a paved road all the way to the site, ensuring easy access while maintaining privacy and exclusivity.
