Descripción de la propiedad

Get ready to be amazed by this extraordinary property. With a flat lot and impeccable physical condition, this two-story single-family dwelling is an absolute treasure. The entire property is securely fenced, providing both safety and privacy. Step inside, and you'll discover a world of comfort and convenience. The first floor welcomes you with an inviting entrance hall, a spacious living room bathed in natural light, a delightful terrace for those moments of relaxation, a dining room perfect for family gatherings, a well-appointed kitchen that will inspire your inner chef, a handy workshop, a maid's room with its very own bathroom, and two cozy bedrooms that share a bathroom. But the excitement doesn't stop there. Head up to the second floor, where pure luxury awaits. A master bedroom fit for royalty complete with a dressing room, an en-suite bathroom, and a private balcony that promises breathtaking views. You'll also find a guest bedroom, two versatile office spaces to fuel your productivity, a practical storage room, and another bathroom, all meticulously designed to ensure your comfort. This property is more than just a house; it's a dream come true. Don't miss your chance to call it home. Contact us today to experience the magic of Boquete living!
