Descripción de la propiedad

This property, located in La Colonia Paris de Parita, offers a prime commercial opportunity with its strategic positioning along the national highway between Divisa and Azuero. Situated just 5 minutes from the town center, the property spans 20,343.32 sqm and features flat topography, making it suitable for various types of development. The land is dotted with fruit trees, providing a natural touch and potential for agricultural use. The existing structure includes a house with five bedrooms and two bathrooms, which is in need of demolition, offering space for a new commercial development.
