Descripción de la propiedad

The perfect place to build your house and live in David: San Antonio, the high-class residential area on the fringe of David, on the Interamerican Highway, so you will be in the vibrant town of David in less than 5 minutes and can hit the road to the rest of the country in 2 minutes. Yet quiet and friendly, with nice houses. The average families here are upper middle class. The development has water and electricity. The two adjacent lots at \$120/m2, one of 1025 m2 (\$123,000) and one of 990 m2 (\$118,000) or both for \$220,000, are in the first stage of the development and therefore in the most desirable area.
