Descripción de la propiedad

Located in the cool highlands of Jaramillo, just 5 minutes(2.8 km) by car from Boquete's central park and close to restaurants, hotels, and the Mae Lewis Hospital emergency center. It's also a 45-minute scenic walk to town with mountain views. On a 5,238 m2 private lot, the property features three contemporary homes designed for comfort, space, and panoramic views of Volcán Barú. Ideal for families wanting independent living within proximity or for investors seeking a retreat or rental project. Homes can be sold individually starting at \$750,000 or together as a full compound; contact the agent for details. Highlights -Three modern homes, each approx. 280 m2 -3 bedrooms and 3 bathrooms per home -Private garage and entrance -Open-concept layout with seamless indoor-outdoor flow -Entry hallway dividing bedrooms from living areas -Large glass terrace and deck with Volcán Barú views -High ceilings and abundant natural light -Construction in progress; completion expected mid-2026 -Renderings and on-site updates available Designed by architect Carlos Raúl Ávila (TER.CIO) and built by architect Rene Bacil (Rene Bacil & Asociados), both known for innovative, high-quality work. The homes include premium finishes, excellent craftsmanship, and designs that maximize light, space, and the natural surroundings. Floor-to-ceiling windows frame iconic Volcán Barú views, and expansive outdoor terraces provide ideal areas for entertaining or enjoying Boquete's year-round spring climate. A rare opportunity to secure a multi-home estate in one of Boquete's most desirable areas, just minutes from cafés, restaurants, and amenities.
