Descripción de la propiedad

Ocean Peninsula Estate: A Crown Jewel of Panama's Sunset Coast This is Once in a lifetime real estate opportunity. Commanding its own private peninsula on Panama's prestigious Sunset Coast, this extraordinary clifftop residence offers a lifestyle most can only dream of experiencing. Set on one of Panama's most exotic locations, this home captures breathtaking 270-degree views of the Pacific Ocean, where nature puts on a daily show of spectacular sunsets that seem painted across the horizon. Located in an exclusive gated community in Mata Oscura, the property neighbors the world-renowned Morrillo beach, celebrated for its world-class waves, just 15 minutes away. The property's unique position on a natural rock formation creates an unparalleled sense of privacy and elevation, with the cliff gradually descending to meet the ocean below. From every vantage point, the views are simply mesmerizing. Built to American standards, this home perfectly balances comfort with practicality. The design features tall ceilings and specialized M2 panel walls providing natural insulation, eliminating the need for air conditioning. The home stays remarkably cool, caressed by ocean breezes from all directions. The open-concept living area and kitchen showcase panoramic Pacific views through floor-to-ceiling windows. The kitchen includes modern appliances and hardwood finishes, complemented by a practical utility room with laundry facilities and pantry storage. The master suite is a peaceful retreat where you can watch the waves from your bed through sliding glass doors that open to both the oceanfront and terrace. It features a hardwood walk-in closet.
