### Descripción de la propiedad

---

This 17,746 m<sup>2</sup> farm, now available for just \$69,900, is a remarkable opportunity for anyone looking to invest in land with endless potential. Located in the peaceful area of Copecito, just a short distance from the popular El Valle de Antón, this fully fenced property offers not only privacy but also captivating ocean views, making it a rare find in this price range. The land is fertile and ideal for various agricultural activities, including crop cultivation, fruit trees, and even establishing a chicken farm. With its rich black soil, it's perfect for planting gardens and growing vegetables, allowing you to live sustainably and enjoy the fruits of your labor. The size and layout provide plenty of space for farming while still leaving room to build the perfect secluded home. Overlooking the stunning Panama Riviera coast of Coronado and San Carlos, this location offers unparalleled beauty with breathtaking panoramic views of both the mountains and the ocean. The farm's location is another key highlight. Copecito's pleasant year-round weather, coupled with its proximity to El Valle de Antón—a popular destination known for its natural beauty and cool climate—makes it the perfect spot for those seeking a quiet, rural lifestyle with easy access to nearby amenities. Whether you're looking to start a farming venture, build a secluded home with stunning views, or simply own a piece of tranquil land, this property offers incredible value for its size, location, and versatility. Don't miss out on this affordable opportunity to own a piece of paradise with so much potential.
