Descripción de la propiedad

This 17-acre coffee estate for sale in Jaramillo is located just 10 minutes from downtown Boquete and offers some of the most impressive views in the area. The property consists of 6 hectares (about 15 acres) with 9,232 square meters, offering clear views of the mountains, Volcán Barú, and the Boquete valley, as well as the Pacific coastline. The estate provides almost 360-degree views of the surrounding landscape. The land is gently sloped and features existing coffee crops, including Caturra and Geisha varieties, as well as banana and orange trees. A seasonal creek runs along one side of the property.
