Descripción de la propiedad

Discover the perfect blend of elevation, space, and fertile land with this expansive 217,460.29 square meter (approximately 21.7 hectares) farm, located in the desirable highlands of Santa Rosa, Bugaba. Situated at an elevation of over 800 meters above sea level, this property enjoys a cool, temperate climate year-round—ideal for livestock, crop cultivation, or mixed-use farming. The land offers a balanced topography with gentle slopes and rich, well-drained soils, making it suitable for pasture grazing, coffee, vegetables, and fruit production. With its generous size, the property supports diverse agricultural projects while providing ample space for future infrastructure, farm buildings, or a country home with panoramic views. Accessible year-round via maintained roads and close to essential services in Bugaba, this property offers both seclusion and convenience, making it a prime opportunity for agricultural investment, sustainable living, or rural development.
