Descripción de la propiedad

Welcome to PH Royal Palm, and to this exquisitely decorated apartment. This 1 bed 1 bathroom apartment with a fold out couch is one of the nicest we have seen in the building. Due to the fact this is an end unit, you have 2 extra windows that others do not have, and this brings you some of the best views the beaches have to offer throughout the day. The shower has a hard water filter. The kitchen has a washer and dryer, full dishwasher, coffee pot, microwave/convection oven, counter top toaster/broiler and a blender for your Panamanian smoothies, so you truly have everything you need to begin enjoying yourselves to the fullest. The building is a mix of expats and panamanians, making for a nice melting pot of different cultures and ethnicities. The employees are very kind and helpful especially when they see someone alone they will always be there to lend a hand. This highrise is one of the most recent ones to be built and therefore boasts some of the finest and best amenities a complex has. With a power generator that feeds energy to the entire building and every unit, the many pools, 2 social areas and direct beach access, this is one of the best options for getting acquainted with Panama. Located only 1 and a half hours from Panama City and only 10 minutes to Coronado, do not miss your chance to rent in a strategic location with one of the longest beaches in the area. Book your visit now, and you won't be disappointed.
