Commanding Panoramic view of Volcan Barú

En Venta

\$309,390

Descripción de la propiedad

This exceptional, fully landscaped property sits at 4,200 feet (1,280 m) in the prestigious mountain community of Jaramillo Abajo—just 10 minutes from downtown Boquete. Offering sweeping, unobstructed views of Volcán Barú and the valley below, this west-facing estate delivers unforgettable sunsets and unmatched privacy. Enjoy Boquete's year-round spring-like climate, averaging 74°F (23°C), in a low-density neighborhood of exclusive homes. Properties of this size, with this location, rarely come to market—making this a truly unique opportunity. A must see site to be inspired by its potential. Land Features Topography:Landscaped, gently sloping with multiple flat building sites Gardens & Vegetation:Mature landscaping, fruit trees, and forest buffer zones Wildlife:Over 90 species of birds inhabit the garden and its lush forest surround and the garden is alive with butterflies, humming birds and other native wild animal species
