Las Acacias - House for Sale 3B 2B

En Venta

\$110,000

Descripción de la propiedad

This residence has been remodeled, providing a modern and comfortable environment. In addition to the main house, it has an independent apartment that includes a living room, dining room, kitchen, bedroom and bathroom. This feature makes it an ideal option for renting and generating additional income. The location is unbeatable, as it is close to renowned shopping centers such as Los Pueblos and Metro Mall, which facilitates access to a wide variety of services and entertainment. In addition, the property has easy access to important communication routes such as the Vía Tocumen and the Corredor Sur, which allows a quick connection with different areas of the city. Don't miss the opportunity to meet her! NOTE: THE PROPERTY DOES NOT INCLUDE APPLIANCES, ONLY ONE AIR CONDITIONER
