Descripción de la propiedad

Titled lot of 8,146.32 m² for sale in Limones, Puerto Armuelles, offering ocean views and a unique natural setting. The property sits above road level, providing an elevated vantage point with breezes and scenic views toward the Pacific. From the front, the land gently slopes down toward a river that borders the back of the lot, creating a peaceful and private environment surrounded by greenery. With both ocean and river elements, this lot is ideal for building a home, eco-cabins, or a retreat-style rental property. Access to basic services like electricity and water is nearby, and the location offers tranquility while still being within easy reach of town amenities.
