| Descripción de la propiedad

We present a 997 m² lot located in the Las Lajas area in Chame. The lot is divided into two lots of 498.57 m² each with two different farm numbers. The lots are being sold together. This rectangular shaped lot features flat terrain, making it ideal for construction. The lot features a convenient easement along its length, providing greater access and versatility for the design of your dream project. With frontage on the paved road along the main road leading to La Laguna, this property offers excellent visibility and accessibility. Located less than 2 kilometers from the Pan-American Highway, it is perfectly situated for both residential and business ventures. Whether you envision building a serene family home or establishing a thriving business, this lot's exceptional location and attributes provide the perfect canvas for your aspirations. Don't miss this opportunity to secure land in a rapidly growing area.
