Descripción de la propiedad

This commercial lot for sale in David, Chiriquí, offers a flat area with a slight slope and views of the mountains. The topography provides flexibility for development, making it suitable for different types of projects. The property is positioned in one of the busiest areas of the city. It sits diagonally across from Super Romero and the Ciudad Bolívar Health Center. Its location also places it very close to Central Avenue, one of the main roads in David and a central point for commercial activity in the city. Utilities are accessible, with water and electricity connections available to the lot. Strategic Location in David David is the capital of Chiriquí Province and the third largest city in Panama. It is considered the main economic hub of western Panama, with an international airport, schools, shopping centers, hospitals, and banks. Many businesses and multinational companies have operations in David due to its strategic position between Panama City and the Costa Rican border.
