Panama

Descripción de la propiedad

Discover this excellent opportunity in Las Lajas, a lot with access to potable water and electricity, ideal for building your vacation home, tourist investment, or permanent residence. Located just 6 minutes from the beach, you can enjoy the ocean and sunsets every day. The area enjoys a warm tropical climate year-round, with average temperatures ranging between 28°C and 32°C, making it a perfect destination for both vacation and living. Additionally, you'll find local restaurants and small businesses in the surrounding area, providing convenience without losing the peaceful, natural atmosphere that characterizes Las Lajas. Don't miss this opportunity to acquire a spacious lot, well located and with available services. Make your dream come true on one of the most beautiful beaches in Panama!
