Descripción de la propiedad

This 1,000-square-meter lot, located in the center of Caldera, offers an excellent opportunity for investment. Positioned diagonally from the church and on the main road, the flat lot is ideal for both commercial and residential projects. The property features mango trees along the fence, adding a natural element to the space. Its prime location on the main road provides high visibility and easy access, making it an ideal spot for a business or residential development in an expanding area. About Caldera Caldera is one of the largest districts in Boquete, known for its warm climate—slightly warmer than downtown Boquete but cooler than nearby David. Located just 15-30 minutes from Boquete, it offers convenience for residents and visitors alike. Caldera is well-known for its hot springs, which attract tourists from all over and provide a unique, relaxing experience. Properties in Caldera are generally more affordable compared to other areas of Boquete, offering a fantastic opportunity for investment. Whether you're looking to build a business, create a family home, or secure a long-term investment, Caldera provides a peaceful setting with close proximity to Boquete's amenities.
