Descripción de la propiedad

Discover the enchanting oasis of The View at Monte Sereno, an ecological neighborhood just a 15-minute drive from downtown Volcan, Panama. This residential area is based on permaculture principles, promoting a self-sustainable lifestyle in harmony with nature. Nestled in the foothills of Volcan Baru and surrounded by the pristine primary forests of the Baru National Park, this mountain community sits at an elevation of 1600 meters, offering breathtaking ocean views and ideal year-round temperatures. Expertly developed by certified permaculture designers, The View at Monte Sereno is a sustainable, regenerative paradise for those who care deeply about the quality of their food, the purity of their water and are seeking a slower, more meaningful pace of life.
