6,000 sqm Lot for Sale in Caldera

En Venta

\$149,000

Descripción de la propiedad

This 6,000 square meter lot is located on Via Caldera, just past Boquete Canyon Village. Positioned on the side of the canyon, it offers impressive views of the mountains and Volcan Baru. This property stands out for its proximity to key amenities and the natural beauty that characterizes the Caldera area. Location Highlights Located approximately 15 minutes from Boquete and 30 minutes from David, this land for sale in Caldera offers convenient access to both cities, including shops, restaurants, and services. The property is also about 8 minutes from Via Boquete. The lot is near the Caldera River, a popular spot for outdoor activities, and several hostels that cater to visitors seeking adventure and relaxation. Its location near established residential areas adds to its potential for development or as a private retreat.
