Land for sale in Potrerillos Arriba

En Venta

\$62,490

Descripción de la propiedad

A 3124.54 square meter (approximately 0.77 acre) lot in Potrerillos Arriba, Chiriquí, offers a unique opportunity with stunning panoramic views of the majestic Barú Volcano and the Gulf of Chiriquí. Located on a corner next to the easement, this land is ideal for residential use or for the construction of properties intended for temporary or long-term rentals. In a region known for its cool and pleasant climate, the area is characterized by its tranquility and abundance of flora and fauna, making it perfect for enjoying nature and outdoor activities such as hiking and bird watching. Potrerillos Arriba offers good connectivity with the main cities and services of the province of Chiriquí, ensuring comfort and accessibility without sacrificing peace and contact with nature. This lot represents a valuable investment in a privileged natural environment, offering a relaxed lifestyle and spectacular views.
