### Descripción de la propiedad

---

This prime 1,574m<sup>2</sup> road-front lot in Jaramillo, Boquete offers a unique advantage with dual access—paved road frontage and a gravel road at the back—ideal for flexible development and enhanced property value. Nestled in the lush highlands of Boquete, the property boasts cool mountain breezes, rich volcanic soil perfect for gardening or small-scale farming, and panoramic views of the surrounding greenery. With easy access to town amenities while maintaining a peaceful rural setting, this lot is perfect for building a private residence, rental cabins, or a boutique eco-retreat. The two-road access provides excellent potential for multiple entry points, guest parking, or separate residential and business entrances.
