Descripción de la propiedad

A lot of 1,920 square meters is for sale to build the house of your dreams within the prestigious gated community of Buenaventura, on the Pacific coast of Panama. This residential area offers an ideal environment for those seeking a combination of a quiet life and access to water activities. The location of the lot is privileged as it is located right in front of hole 18 and steps away from the clubhouse. Within the Buenaventura community, residents enjoy an exclusive, complete, and secure environment. The community is designed to offer a peaceful and active lifestyle, with easy access to the beach, golf course, pool, and a wide range of water activities. The security of a gated area adds an extra touch of peace of mind.0
